

Kidnapped

Kidnapped is a classic adventure novel about a teenage boy called David Balfour set in 18th century Scotland. At the start of the book David leaves his home in the countryside, following his fathers death, to take a letter of introduction from his father to his uncle. He walks for 2 days before arriving at his uncles huge but neglected house near Edinburgh. His uncle is a miserly, unpopular old man who does not make David feel at all welcome. He acts very suspiciously and David deduces that his uncle may be keeping his inheritance from him. When his uncle takes him down to the port to arrange a business deal, David gets bashed on the head and wakes up to find that his uncle has sold him to a ships captain to be sold as a slave in America. Davids life takes a turn for the better when the ship crashes into another boat and sinks it and they have to rescue the only survivor, Alan Breck.
