

La conquete de Plassans (French Edition)

La Conquete de Plassans (1874) is the fourth novel in Emile Zolas twenty-volume series Les Rougon-Macquart. In many ways a sequel to the first novel in the cycle, La Fortune des Rougon (1871), this novel is again centred on the fictional Provençal town of Plassans and its plot revolves around a sinister clerics attempt at political intrigue with disastrous consequences for some of the townsfolk.
