

La Galatea (Spanish Edition)

La Primera parte de La Galatea (1585) fue el primer libro que publico Cervantes. Los personajes son pastores que relatan sus penas amorosas en una naturaleza idealizada. La Galatea se compone de seis libros en los cuales se desarrollan una historia principal y cuatro secundarias. La principal refiere los amores de los pastores Elicio y Galatea, a la cual su padre quiere casar con el rico Erastro. Y las secundarias anaden otros episodios amorosos. La novela adopta las convenciones del genero, pero ironiza con las relaciones entre los pastores y el entorno geografico el rio Tajo. Cervantes prometio escribir una segunda parte, como afirma en la dedicatoria del Persiles, pero nunca fue publicada.
