

Le colonel Chabert (French Edition)

La Comedie humaine - Etudes de moeurs. Troisieme livre, Scenes de la vie parisienne - Tome II. Dixieme volume de ledition Furne 1842. Extrait : ...le vieillard resta silencieux, et sa bizarre figure prit une expression si depourvue dintelligence, que le clerc, apres lavoir regarde, ne soccupa plus de lui. Quelques instants apres, Derville rentra, mis en costume de bal ; son Maitre clerc lui ouvrit la porte, et se remit a achever le classement des dossiers. Le jeune avoue demeura pendant un moment stupefait en entrevoyant dans le clair-obscur le singulier client qui lattendait. Le colonel Chabert etait aussi parfaitement immobile que peut letre une figure en cire de ce cabinet de Curtius ou Godeschal avait voulu mener ses camarades. Cette immobilite naurait peut-etre pas ete un sujet detonnement, si elle neut complete le spectacle surnaturel que presentait lensemble du personnage. Le vieux soldat etait sec et maigre. Son front, volontairement cache sous les cheveux de sa perruque lisse, lui donnait quelque chose de mysterieux. Ses yeux paraissaient couverts dune taie transparente : vous eussiez dit de la nacre sale dont les reflets bleuâtres chatoyaient a la lueur des bougies. Le visage pale, livide, et en lame de couteau, sil est permis demprunter cette expression vulgaire, semblait mort. Le cou etait serre par une mauvaise cravate de soie noire. Lombre cachait si bien le corps a partir de la ligne brune que decrivait ce haillon, quun homme dimagination aurait pu prendre cette vieille tete pour quelque silhouette due au hasard, ou pour un portrait de Rembrandt, sans cadre. Les bords du chapeau qui couvrait le front du vieillard projetaient un sillon noir sur le haut du visage.
