

Liza of Lambeth

W. Somerset Maugham was a prominent British novelist and playwright in the early twentieth century. Maugham also served with the Red Cross ambulance corps in World War I. Maugham wrote many classics over his long career including *The Moon and Sixpence* and *Of Human Bondage*. *Liza of Lambeth* was Maughams first novel. The action centers around a vibrant eighteen-year-old girl from a poor neighborhood who succumbs to the attention she receives from a married man.
