

Emma 7th Book in the Boston Globe Series (Boston Globe Series, Book 7)

A charming and refined tale about the whims of the heart. The beautiful young Emma Woodhouse loves to meddle in other peoples affairs. She is, in fact, a matchmaker for her unsuspecting friends in this tale of 19th century England. Much gossip will surround the machinations of the witty girl as she befriends a 17 year old girl by the name of Harriet and tries to find her a suitor. But how can Emma be so sure of the feelings of others when she is so unsure about her own? Jane Austons characters have spurred endless commentary because their experience and emotions are so much a part of our collective consciousness.
