

## Mansfield Park

Jane Austen was an English author best known for her books of romantic fiction. Despite writing many books that are now considered classics, Austen did not gain much fame during her lifetime, likely due to being a woman. Austen was just 41 years old when she died yet she is still considered one of the best writers of English literature. Austen's novel *Mansfield Park* tells the story of Fanny Price, a young girl who is sent to live with her wealthy relatives.
