

Mansfield Park

This classic is considered probably the least romantic and most pragmatic of Jane Austen's novels. *Mansfield Park* is the story of a timid girl Fanny Price, who comes to live with her wealthy relatives, the Bertrams, at Mansfield Park at the age of 10. Fanny's new life is not as she might wish. Treated with disdain by three of her cousins, she finds her only comfort in the kindness of the fourth, Edmund. As they grow, their friendship develops into romantic love - until the arrival of Henry Crawford and his charming sister Mary causes an emotional upheaval that no one in the family expects.
