

## Mardi, and a Voyage Thither (Annotated)

\*This Book is annotated (it contains a detailed biography of the author). \*An active Table of Contents has been added by the publisher for a better customer experience. \*This book has been checked and corrected for spelling errors. Mardi, and a Voyage Thither is the third book by American writer Herman Melville, first published in London in 1849. Beginning as a travelogue in the vein of the authors two previous efforts, the adventure story gives way to a romance story, which in its turn gives way to a philosophical quest. As a preface to Mardi, Melville wrote somewhat ironically that his first two books were nonfiction but disbelieved; by the same pattern he hoped the fiction book would be accepted as fact.
