

## Moby Dick (Dyslexic-Friendly Edition)

This edition of Moby Dick by Herman Melville is designed for the reading-impaired. Using the OpenDyslexic font, it allows access to those with Dyslexia to enjoy classic literature. Moby Dick, as told through Ishmael, is the story of the vengeful Captain Ahab, who has set out to seek revenge on a sperm whale, Moby Dick, who injured Ahab. The story is a classic example of early American literature, and it is one of the earliest examples of how American literature came to be different from English contemporaries. This edition was prepared for publication by Laurence Francis Harrison, and is published by Strawberry Classics.
