

Gora, Vol. 1 (Romanian Edition)

Prin darul dreptatii alaturat celui al profetiei, Tagore a infatisat scene care imbina, in viziunea lui creatoare, epoca de azi cu inceputurile timpului... - Harald Hjarne, presedintele Comitetului Nobel al Academiei Suedeze, la decernarea Premiului Nobel, 1913 Cand te apropii de Tagore pentru prima oara, te simti fara sa vrei ca intr-un templu si vorbești in soapta. Apoi, daca ti-e dat sa observi mai indeaproape acest profil fin si mandru, deslusesti sub linistea si armonia liniilor sale tristetele stapanite, vederea clara, inteligenta virila care infrunta cu tenacitate luptele vietii, fara a ingadui spiritului sa se tulbure. Si-ti aduci aminte... de profetiile lui solemne, adresate noroadelor pamantului, pentru a le atrage atentia asupra primejdiilor cu care zeul Shiva ameninta civilizatiile triumfatoare gata sa se naruie. - Romain Rolland S-a spus adesea ca, prin acest roman, Tagore a initiat dezbaterile despre identitatea culturala a Indiei si despre locul religiei si al castei in cadrul ei. Dar problemele legate de religie si casta implica altele privitoare la gen si clasa. Romanul ridica multe alte chestiuni la fel de importante, precum statutul femeii, autoguvernarea, reconstructia rurala, educatia nationala etc. - Liviu Bordas
