

A Young Girls Diary (Volume 1)

This diary is a gem. A beloved classic. Never before, I believe, has anything been written enabling us to see so clearly into the soul of a young girl, belonging to our social and cultural stratum, during the years of puberal development. An innocuous gift, a diary a girl treasures. She writes in it, I will call you, Kitty. A scrawny teenage girl begins writing her way into the hearts and minds of mankind around the world. This book will be her legacy and her memorial.
