

My Lady of the North

[...] He will abide in my memory forever as I saw him then,--although we were destined to meet often afterwards,--that old gray hero, whose masterly strategy held at bay for so long those mighty forces hurled on our constantly thinning lines of defence. To me the history of war has never contained his equal, and while I live I shall love and revere him as I can love and revere no other man. General Lee, said one of the aides, as I passed the single sentry and drew aside the flap to step within, this is Captain Wayne. He deliberately pushed aside the mass of papers which had been engaging him, and for an embarrassing moment fixed upon me a glance that seemed to read me through and through. Then, with simple dignity, far more impressive than I can picture it in words, he arose slowly and extended his hand.[...].
