

My Man Jeeves: Collection of Short Stories

Jeevesmy man, you knowis really a most extraordinary chap. So capable. Honestly, I shouldnt know what to do without him. On broader lines hes like those chappies who sit peering sadly over the marble battlements at the Pennsylvania Station in the place marked Inquiries. You know the Johnnies I mean. You go up to them and say: Whens the next train for Melonsquashville, Tennessee? and they reply, without stopping to think, Two-forty-three, track ten, change at San Francisco. And theyre right every time. Well, Jeeves gives you just the same impression of omniscience.
