

Oedipus at Colonus

Originally published in 1946, this book presents R. C. Trevelyan's English metrical translation of Sophocles' Oedipus at Colonus. The translation was based upon the text published by Sir Richard Claverhouse Jebb in 1900. A short introduction by Trevelyan is also included. This book will be of value to anyone with an interest in English translations of ancient Greek drama and the works of Sophocles.
