

## Raggedy Ann Stories : complete with original Illustration (Illustrated)

One day the dolls were left all to themselves. Their little mistress had placed them all around the room and told them to be nice children while she was away. And there they sat and never even so much as wiggled a finger, until their mistress had left the room. Then the soldier dolly turned his head and solemnly winked at Raggedy Ann. And when the front gate clicked and the dollies knew they were alone in the house, they all scrambled to their feet. Now lets have a good time! cried the tin soldier. Lets all go in search of something to eat! Yes! Lets all go in search of something to eat! cried all the other dollies.
