

Beijing Travel Map 2nd Edition (China Regional Maps)

Periplus is a pioneer in mapping the cities and countries of Asia. Among its many firsts are maps of Phnom Penh and Angkor in Cambodia, Sarawak and Sabah in Malaysia, as well as the first map to cover all the major cities and tourist destinations in Vietnam. A dozen new titles are produced annually, and our goal is to publish accurate maps of every city and travel destination in the Asia Pacific region.
