

## The Witness: (Grace Livingston Hill Masterpiece Collection)

Like a sudden cloudburst the dormitory had gone into a frenzy of sound. Doors slammed, feet trampled, hoarse voices reverberated, heavy bodies flung themselves along the corridor, the very electrics trembled with the cataclysm. One moment all was quiet with a contented after-dinner-peace-before-study hours; the next it was as if all the forces of the earth had broken forth. Paul Courtland stepped to his door and threw it back. Come on, Court, see the fun! called the football half-back, who was slopping along with two dripping fire-buckets of water. Whats doing?
