

The Adventures of Tom Sawyer (Faux Suede Cover with Gold Gilded Lettering Gift Book)

(Beautiful faux brown suede cover with gold gilded lettering. Perfect to give as a gift or keep for your collection. From the famous episodes of the whitewashed fence and the ordeal in the cave to the trial of Injun Joe, The Adventures of Tom Sawyer is redolent of life in the Mississippi River towns in which Twain spent his own youth. A somber undercurrent flows through the high humor and unabashed nostalgia of the novel, however, for beneath the innocence of childhood lie the inequities of adult reality-base emotions and superstitions, murder and revenge, starvation and slavery.
