

## Buenos Aires Laminated Pocket Map by Pocket-Pilot (Espanol-Spanish) (Spanish Edition)

Este enganosamente pequeño mapa de Buenos Aires pone en aprietos a la mayor parte de las Guías sobre esa ciudad. Los mapas-guía editados por Pocket Pilot caben en el bolsillo de una camisa, son fáciles de plegar, vienen laminados, son fáciles de leer y proveen muchísima información útil, incluyendo como usar / navegar el sistema de transporte público, una breve pero excelente guía sobre los puntos de interés más populares de la ciudad, una descripción de la ciudad barrio por barrio, listas de parques, eventos culturales y hot spots, notas sobre cocina local y frases útiles y, además un mapa de calles con magnificaciones de aquellas áreas que los viajeros encontrarán gratificante visitar.
