

TOUR THE CRUISE PORTS: PORTLAND, OREGON (Touring the Cruise Ports)

This book is a brief, but comprehensive overview of Portland, Oregon and the nearby region for cruise ship passengers and others. Tour the Cruise Ports: Portland and other books in this series are based on the hundreds of destination lectures that I have presented on cruise ships to destinations all over the world. The purpose of these lectures is to add value to the experience of the passengers at the various ports. These lectures are comprehensive overviews of the geography, history, culture, points of interest, and general information about the ports, countries, and regions.
