

Best Places Portland

Best Places Portland is the smartest guide to one of the hottest cities in America. Whether its munching on crepes in northwest Portland or an afternoon exploring the Garden of the Awakening Orchid, travelers will find expert opinions, inside information, and honest advice from the countrys most respected regional travel series. The guide includes information on walking tours, fine and performing arts, shopping, and nightlife, as well as reviews of new restaurants, hotels, and brewpubs and wine bars. The shopping chapter has been restructured, focusing less on national chains and more on uniquely Portland boutiques and specialty stores. Lodging reviews have been streamlined, and restaurant reviews have been reevaluated as hot new establishments, such as Urban Farmer, have taken the city by storm.
