

Puck Of Pooks Hill

Enchanted by the theatre, Dan and Una decide to recreate their own version of A Midsummer Nights Dream. Finding the perfect spot, an old fairy ring, they set about their play, and are so enchanted that they perform it three times in a row. After a final bow, they sit down in the centre of the fairy ring whereupon, the bushes part and Puck enters, stage left. Using his fairy magic, Puck then conjures up the past to entertain the two amazed children a Roman centurion, a Renaissance artisan and a bygone village all appear before their very eyes. Puck of Pooks Hill is an innocent and charming tale to delight readers of all ages.
