

Quentin Durward

Of all the writers in the 19th century, the preeminent one was Sir Walter Scott, whose works were so beloved that he had an international fan base well before he died. The Scotsman is still considered one of the greatest writers of the English language, and his most famous and popular title is *Ivanhoe*, but he is also remembered for other works like *The Lady of the Lake*, *Waverley*, and *The Bride of Lammermoor*.
