

Tokyo Clash: Japanese Pop Culture (Style (H.F. Ullmann))

An amazing trip through Japanese pop culture. Have an extraordinary encounter with Japanese design culture without boarding a plane or even leaving your home, with Tokyo Clash. Author and photographer, Ralf Bahren, presents Japan's mega city in a visually stunning collection of images, vividly colorful and rich in contrast. Readers are taken on an exciting trip through the everyday life of the Japanese, a world that doesn't want to conform to the cliché of Asian reticence in the least. This delightful book promises appealing, provocative, and sometimes absurd insights into a completely foreign world.
