

Shakespeares Sonnets: Gift Edition (Arden Shakespeare)

This gift edition is a small format hardcover, almost diary-like with a sewn-in book ribbon and a bookplate page featuring Shakespeares most-quoted sonnets, some of the most beautiful and moving poems in English literature. Dealing with love, beauty and the effects of time, Shakespeares evocative words such as Shall I compare thee to a summers day? speak to us as directly now as to Elizabethan readers centuries ago. The Arden Shakespeare is the most authoritative texts and this edition is a must-have for all lovers of great literature.
