

## Tokyo with Children: A parents insight on where to eat, learn and play in Japans amazing capital (An Epic Education: Traveling with Kids / Asia travel with Kids)

Tokyo is one of the most incredible and dynamic cities in the world. It also happens to be an incredible place for family fun! For a limited time, get this handy, time-saving Tokyo travel resource for less than a coffee at a Shibuya cafe. Read on your PC, Mac, smart phone, tablet or Kindle device. You're about to discover some of the best family-friendly experiences in Tokyo. This book is designed to save you hours of research time looking for places to go and things to do with your kids. The TOKYO WITH KIDS eBook for Kindle is made for both traveling families and expat parents who seek new and meaningful experiences to share with their children. There are many travel guides out there, but this is something different something that I, as a father of two living in Tokyo, wanted for myself: a quick resource of places and experiences that both kids and parents can enjoy. This book doesn't cover everything Tokyo has to offer. There's just too much! But it does provide addresses, links and other important information related to family fun in one of the most amazing cities in the world. TOKYO WITH KIDS can help kick-start your exploration. The rest is up to you. You'll Learn About? The best museums for kids of all ages Kid-friendly galleries and creative spaces Cool buildings and historical sites kids will love to explore Parks and other open spaces for running and outdoor play Fun indoor spaces to explore during bad weather days Access information, including closest subway stations Designed for curious and creative families Hundreds of links to other resources! Much, much more! Download your copy today! Download it today and prepare for fun and family-friendly adventure in Tokyo!
