

A Tale of Two Cities

In his crowning masterpiece, *A Tale of Two Cities*, Dickens tells the story of Charles Darnay, a French aristocrat living in England, who returns to France amid the tumult of the Revolution, to save a wrongfully imprisoned man. When Darnay is put on trial himself by the Revolutionaries, only his friend Sydney Carton, a dissolute barrister secretly in love with Darnay's wife, has the power to save him. The result is one of the most beautiful and certainly most famous acts of self-sacrifice in all of English literature. With over 200 million copies sold, *A Tale of Two Cities* continues to be loved today for its masterful prose and profound moral vision.
