

## Alices Adventures in Wonderland (Annotated)

In the most renowned novel by English author Lewis Carroll, restless young Alice literally stumbles into adventure when she follows the hurried, time-obsessed White Rabbit down a hole and into a fantastical realm where animals are quite verbose, logic is in short supply, and royalty tends to be exceedingly unpleasant. Each playfully engaging chapter presents absurd scenarios involving an unforgettable cast of characters, including the grinningeshire Cat and the short-tempered Queen of Hearts, and every stop on Alice's peculiar journey is marked by sharp social satire and wondrously witty wordplay.
