

Stars shining on Cape Town - travelguide

A tribute to one of the worlds best destinations South Africa. A beautiful country faced to the far south, purged between two great oceans. Firmly rooted in its diverse and frequently conflicting values and traditions. Mirrored by an awe inspiring food culture with an array of simple and lavished cuisines. Enjoy the very best experiences from the local towns with a short distance from Cape Town and the Western Cape. Fuel your dreams and desires to your heart?s content, and be inspired by the many temptations, the country can offer. Quotation from the book: Stars over Cape Town A culinary and estethical tribute
