

The Complete Prose Works of Walt Whitman (Annotated)

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. Note, to-day, an instructive, curious spectacle and conflict. Science, (twin, in its fields, of Democracy in its) Science, testing absolutely all thoughts, all works, has already burst well upon the world a sun, mounting, most illuminating, most gloriously never again to set. But against it, deeply entrenched, holding possession, yet remains, (not only through the churches and schools, but by imaginative literature, and unregenerate poetry,) the fossil theology of the mythic-materialistic, superstitious, untaught and credulous, fable-loving, primitive ages of humanity. ?
