

Tarzan the Untamed

This is the story of Tarzan's return to the life and ways of the ape-man in his search for vengeance on those who took from him his beloved wife and despoiled the home which he had made in British East Africa. He finds them, but the result makes only the beginning of the story which carries him swiftly through a series of the most amazing complications to a still more amazing climax. Never has a character appeared in any book like Edgar Rice Burroughs' strange creation: Tarzan, the Ape-Man. Read this story and you will understand why Tarzan has proved the most sensational figure in recent fiction. This book uses the First Edition text.
