

Korea Experience: The Guide to Finding the Best Jobs Teaching English Abroad in South Korea

Starting off as one of only two English teachers at a family-operated language institute, Jeff Millers experience teaching English in South Korea originated from the ground floor. For nearly a decade he taught in various private and public sector positions, including that of head teacher at one of the countrys largest franchise institutes. Along the way, he learned how to manage the many challenges of living and working abroad. He also discovered how to overcome the biggest challenge confronting English teachers, even experienced ones. He discovered how to find the right job. Follow the advice of the author: Find the right job teaching English in South Korea and the rest will take care of itself. The right job will come with the right environment, the right resources and the right mentors all of which will help you become a successful teacher and fully enjoy your free time immersing yourself amongst the wonderfully fascinating people and amazing culture of South Korea. Resourcefulness is an attribute of both a successful teacher and a successful job hunter. So why not utilize the best resource available to you? Korea Experience is that resource when it comes to conducting your job search in South Korea. When combined with your determination, Korea Experience will provide you with all the knowledge, skills and tools necessary to efficiently and effectively execute your job search in South Korea and make it a success! When failure means repeating a lengthy process all over again, success the first time around is the only option.
