

Ten Little Indians

Ten houseguests, trapped on an isolated island, are the prey of a diabolical killer. When they realize that every one of them is marked for murder, terror mounts as their number dwindles. Who has choreographed this dastardly scheme? Who will be left to tell the tale? Clues and red herrings abound in this masterpiece from Agatha Christie, her most popular mystery ever. In this complete and unabridged recording, reader Norman Barrs portrays ten different people-with all the subtle shadings of each voice and character-a masterpiece in its own right. 4 cassettes.
