

# Thais

This book tells the tragic story of Paphnutius, a hypocritical Christian monk who temporarily abandons his isolated desert life to save a famous courtesan and actress, Thais (whom he lusts after), from a life of sin. The story is intended as an attack on Christianity, but if one can look at the monk as an individual and not as a representative of Christianity, even Christian readers can appreciate this study of human weakness. [Translated from the original French by Robert B. Douglas]
