

## The Ballad of the White Horse

Of great limbs gone to chaos,      A great  
face turned to night      Why bend above  
a shapeless shroud      Seeking in such  
archaic cloud      Sight of strong lords  
and light?      Where seven sunken  
Englands      Lie buried one by one,  
Why should one idle spade, I wonder,  
Shake up the dust of thanes like thunder  
To smoke and choke the sun?
