

The Best of the Hudson Valley and Catskill Mountains: An Explorers Guide, Fourth Edition (Explorers Guides)

The Hudson Valley and Catskill Mountains are rich with history, natural beauty and cultural diversity. Within easy reach of New York City, Boston and Philadelphia, the area is also one of the northeast's fastest-growing vacation and second-home destinations. Quaint villages, small wineries and pick-your-own farms coexist with acclaimed restaurants and world-class hiking, rock climbing and fly-fishing. The 4th edition of this guide has been thoroughly updated to include new restaurants, inns and attractions. Handy icons point out child-friendly establishments and detailed maps help you find your way around. The guide has been independently researched by the authors and accepts no payment for inclusion.
