

The Clouds (Websters Thesaurus Edition)

There are many editions of The Clouds. This educational edition was created for self-improvement or in preparation for advanced examinations. The bottom of each page is annotated with a mini-thesaurus of uncommon words highlighted in the text, including synonyms and antonyms. Designed for school districts, educators, and students seeking to maximize performance on standardized tests, Websters paperbacks take advantage of the fact that classics are frequently assigned readings. A running thesaurus at the bottom of each page is useful to students who are actively building their vocabularies in anticipation of taking PSAT, SAT, AP (Advanced Placement), GRE, LSAT, GMAT or similar examinations. This edition exposes the reader to a maximum number of difficult, and often encountered words in examinations. Rather than supply a single synonym, many are provided for a variety of meanings, allowing readers to better grasp the ambiguity of the English language, and avoid using the notes as a pure crutch. Having the reader decipher a words meaning within context serves to improve vocabulary retention and understanding. Each page covers words not already highlighted on previous pages. PSAT is a registered trademark of the College Entrance Examination Board and the National Merit Scholarship Corporation neither of which sponsors or endorses this book; SAT is a registered trademark of the College Board which neither sponsors nor endorses this book; GRE, AP and Advanced Placement are registered trademarks of the Educational Testing Service which neither sponsors nor endorses this book, GMAT is a registered trademark of the Graduate Management Admissions Council which is neither affiliated with this book nor endorses this book, LSAT is a registered trademark of the Law School Admissions Council which

neither sponsors nor endorses this product.
