

## Cibola: A Dane Maddock Adventure (Dane Maddock Adventures Book 2)

1539- In a remote Spanish outpost, one man holds the secret to the greatest treasure and deadliest secret in human history. Utah, Present Day Cave paintings in a newly-discovered Indian site provide evidence that Christ visited the New World. Or do they? Dane Maddock returns in another unforgettable adventure! When Dane rescues beautiful archaeologist Jade Ihara , he joins her on a search for the legendary Seven Cities of Cibola. Cibola takes the reader on a journey across the American southwest, where the ruins of the mysterious Anasazi hide deadly secrets, and foes lurk around every corner. Dane and his partner Bones Bonebrake must decipher clues from the fabled Copper Scroll, outwit their enemies, and be the first to unlock the secret of Cibola. With the thoroughly enjoyable way Mr. Wood has mixed speculative history with our modern day pursuit of truth, he has created a story that thrills and makes one think beyond the boundaries of mere fiction and enter the world of why not? Cibola is a worthy tale! --David Lynn Golemon, Author of Ancients, Event, Legend, and Leviathan Ancient cave paintings? Cities of gold? Secret scrolls? Sign me up! Cibola is a twisty tale of adventure and intrigue that never lets up and never lets go! --Robert Masello, author of Bestiary and Blood and Ice
