

The Fairy Tales of Charles Perrault (Wisehouse Classics Edition - With Original Color Illustrations by Harry Clarke)

CHARLES PERRAULT (12 January 1628 - 16 May 1703) was a French author and member of the Academie Francaise. He laid the foundations for a new literary genre, the fairy tale, with his works derived from pre-existing folk tales. The best known of his tales include *Le Petit Chaperon Rouge* (Little Red Riding Hood), *Cendrillon* (Cinderella), *Le Chat Botte* (Puss in Boots), *La Belle au bois Dormant* (The Sleeping Beauty), and *Barbe Bleue* (Bluebeard). Some of Perraults versions of old stories may have influenced the German versions published by the Brothers Grimm more than 100 years later. The stories continue to be printed and have been adapted to opera, ballet (such as Tchaikovskys *The Sleeping Beauty*), theatre, and film. Perrault was an influential figure in the 17th-century French literary scene, and was the leader of the Modern faction during the Quarrel of the Ancients and the Moderns. This edition is an athoritative translation by Robert Samber and J. E. Mansion, with the original color illustrations and ornamentations by Harry Clarke.
