

## The Book of Humorous Verse

Quixotic is his enterprise and hopeless his adventure is, Who seeks for jocularities that havent yet been said; The world has joked incessantly for over fifty centuries, And every joke thats possible has long ago been made. I started as a humourist with lots of mental fizziness, But humour is a drug which its the fashion to abuse; For my stock-in-trade, my fixtures and the good-will of the business No reasonable offer I am likely to refuse. And if anybody choose He may circulate the news That no reasonable offer I am likely to refuse.
