

# The Survivors of the Chancellor, with eBook (Tantor Unabridged Classics)

Mr. Kazallon thought that booking passage on a cargo ship from Charleston to Liverpool would be a charming way to return to his English homeland. If he only knew! A crazed sea captain, a disaster in the hold, storms, oppressive heat, sharks, and starvation are just some of the many travails that beset both passengers and crew. Will any of them survive the wreck of the Chancellor?
