

The Lair of the White Worm: A Mystery Story (Gothic Fiction)

A masterpiece of horror from the creator of Dracula. Bram Stoker stamps his powerful influence on this grisly horror of sinister proportions. When Adam Salton moves to his uncles estate in England he finds himself embroiled in a terrifying mystery. In a fight to stay alive, Adam must seek out help to discover the horrifying truth. Children are being attacked, animals are being killed, and when a man is murdered, could the same person be responsible for all? And just what dangerous effects will Edgar Caswells obsessive dabbling in mesmerism have? Meanwhile the white worm lurks beneath the surface, casting its murky shadow, seeking out its next victim. FLAME TREE 451: From mystery to crime, supernatural to horror and fantasy to science fiction, Flame Tree 451 offers a healthy diet of werewolves and mechanical men, blood-lusty vampires, dastardly villains, mad scientists, secret worlds, lost civilizations and escapist fantasies. Discover a storehouse of tales gathered specifically for the reader of the fantastic. Each book features a brand new biography and glossary of Literary, Gothic and Victorian terms.
