

The Life of Friedrich Schiller

[...]to Stuttgart, where, under an improved form, and with the name of Karls-schule, we believe it still exists. The Duke proposed to give the sons of his military officers a preferable claim to the benefits of this institution; and having formed a good opinion both of Schiller and his father, he invited the former to profit by this opportunity. The offer occasioned great embarrassment: the young man and his parents were alike determined in favour of the Church, a project with which this new one was inconsistent. Their embarrassment was but increased, when the Duke, on learning the [...].
