

The Little Tokyo Subway Guidebook: Everything You Need to Know to Get Around the City and Beyond

This handy book was prepared with the official cooperation of Tokyo Metro and the Tokyo Metropolitan Bureau of Transportation to help readers confidently navigate the convenient but complicated Tokyo subway system. Included are color-coded diagrams of all thirteen Tokyo subway lines; information on ticketing, tourist fares, and commuter passes; a landmark finder; an exit finder; and full-color maps that include national railway, Yokohama, and airport connections. Also included are useful words and phrases, a guide to signs, and where to go for help. Concise and thoroughly up to date, this is the one book readers will want for getting around.
