

The Lost World: Premium Edition - Illustrated

Why buy our paperbacks? Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low-quality sellers Dont buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About The Lost World by Arthur Conan Doyle The restless, questing intellect of Sir Arthur Conan Doyle spurred him far beyond the ingenious puzzles he constructed for Sherlock Holmes. In The Lost World, Doyle, a devotee of the occult and fantastic tales of adventure and discovery, introduces his readers to Professor Challenger, an eccentric paleontologist, on his suspense-filled search for prehistoric creatures in the wilds of the Amazon. Professor Challengers doughty troupe includes a skeptical colleague, Professor Summerlee; the cool-headed, plucky sportsman Lord John Roxton; and the narrator, the intrepid reporter Edward Malone. When their bridge to civilization collapses, the explorers find themselves marooned among dinosaurs and savage ape-people.
