

Antony and Cleopatra: The Novel: (Shakespeares Classic Play Retold As a Novel)

Have you ever thought of Shakespeare as a fast-paced, action-filled, page-turning novel?! Shakespeare plays on stage make for fantastic theatrics! But when you read it as a book some of its glory can be lost. This novelization of Antony and Cleopatra uses a more modern language and narration to capture the story as a novel. This book is part of an expanding series that retells Shakespeare into fiction.
