

The Mill on the Floss (Penguin English Library) (The Penguin English Library)

The Penguin English Library Edition of The Mill on the Floss by George Eliot If life had no love in it, what else was there for Maggie? Tragic and moving, The Mill on the Floss is a novel of grand passions and tormented lives. As the rebellious Maggie's fiery spirit and imaginative nature bring her into bitter conflict with her narrow provincial family, most painfully with her beloved brother Tom, their fates are played out on an epic scale. George Eliot drew on her own frustrated rural upbringing to create one of the great novels of childhood, and one of literatures most unforgettable heroines. The Penguin English Library - 100 editions of the best fiction in English, from the eighteenth century and the very first novels to the beginning of the First World War.
