

The Mill on the Floss

George Eliot was a prominent English author during the Victorian Era. Born Mary Ann Evans, she chose to change her name to George Eliot so that her works would gain more attention. Eliot would go on to write many classics such as *The Mill on the Floss*, *Silas Marner*, *Middlemarch*, and *Daniel Deronda*. *The Mill on the Floss* is a novel that centers around the lives of two young siblings growing up near Lincolnshire, England. The novel is also noted for being partially autobiographical as it reflects the shame Eliot experienced by being involved with a married man.
