

The Rescue: A Romance of the Shallows

English adventurer Tom Lingard gets involved with a sailing couple, Lady Edith and Mr Travers. While Tom and Edith are having an affair, her husband's boat is destroyed and he dies. The Rescue is the conclusion of what is sometimes called The Lingard Trilogy, three novels based on Conrad's experience as mate on the steamer, Vidar. While it is the last of the three novels to be published, events relate to those before *Almayers Folly* (1895) and *An Outcast of the Islands* (1896).
